

the rest of april | lots of black and white shots

may | the last coffee social at beckwith house

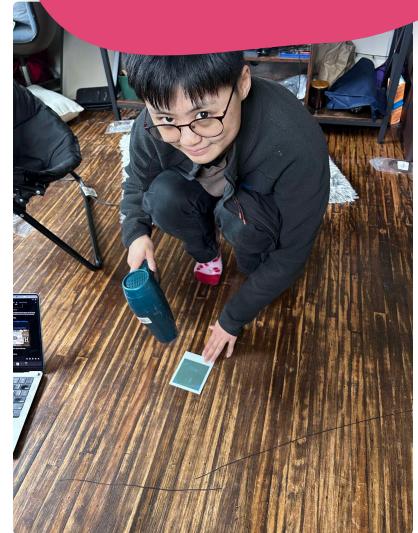

*espresso and pourover outside,
tonics, such good vibes.
i'm gonna miss this house.*

cherry picked 13, after a 3 month long hiatus

buckle up, this is a long one full of images. i'll try to provide context for all the stuff i've done recently but it's kinda hard when i don't even remember

march 22 | kiki visits me in roc

kiki thought it was so hilarious that i was using a blow dryer to speed up the dev process

april 2 | i acquire the Cowsays

< hello world! >

may 18th | we're a small graduating class of HCCs! | and my grad shoot with aidan

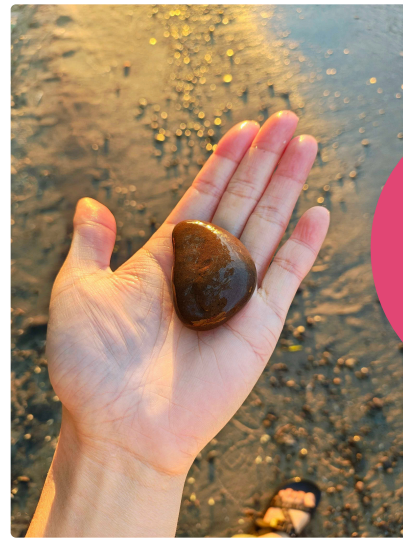

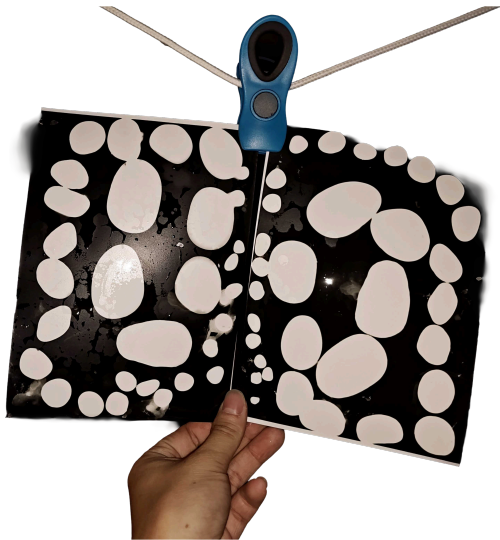

may 20th | new camera week

*fuji FP-UL
polaroid SX-70 sonar*

printing photograms with the color enlarger

*printing with found
objects like rocks
from the durand-
eastman beach*

june 1 | poofy moves in!

june 8th | new camera day (again)

*the polaroid go
has a cool double
exposure feature*

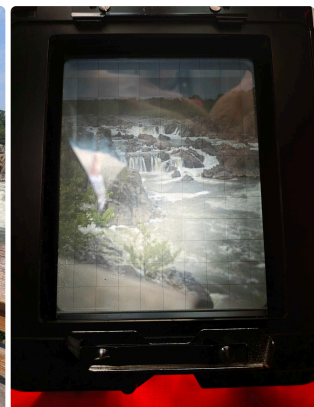

june 12th

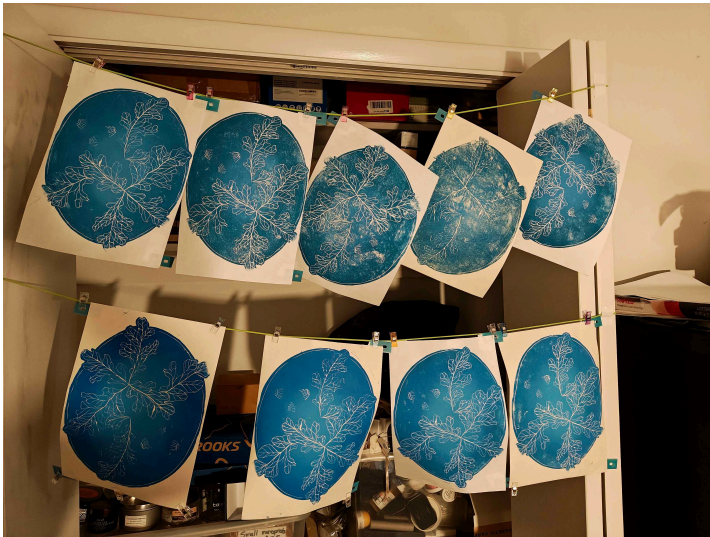

*my first time in an
eat n' park. we were
in philly for a
funeral and stopped
here for milkshakes
after dinner.*

june 12 - 16th | first shots with neighbor jim's 4x5 omega view

this thing is seriously a beast. i had to learn a lot in the process of shooting and lost 4 sheets of film :'(

june 18th | working on prints to sell

that's all folks...
