

cherry picked vol 4

this weekend was spent at fall camping at Brandreth Lake :)

behold all the photos....

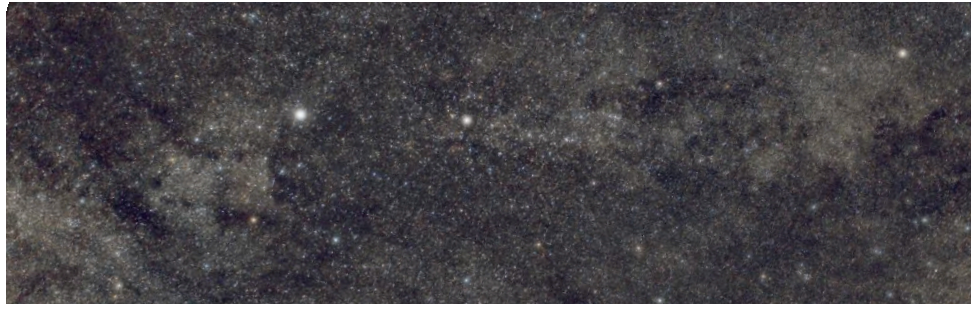

cherry picked vol 4

lots of group photos this week which was really fun!
something i really enjoyed was getting to see everyone.

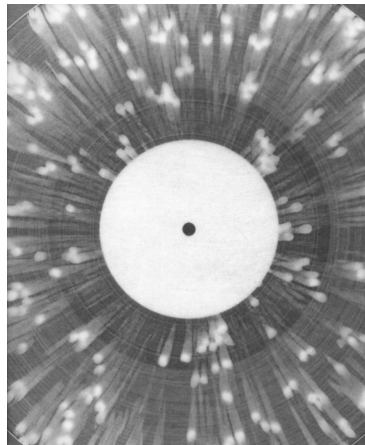

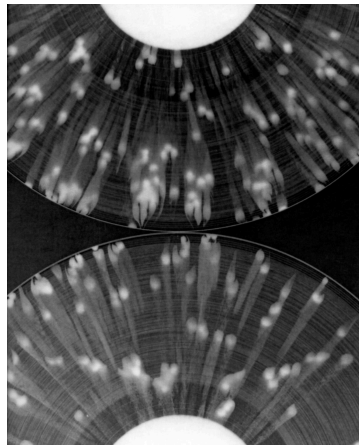

cherry picked vol 4

side quest: photograms

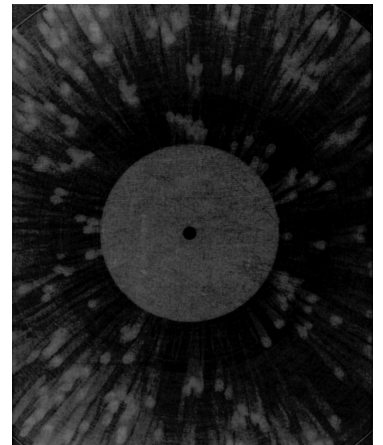

last week's photography class involved getting familiar with the enlarger using photosensitive paper, which was something i thought i would totally hate but ended up loving the process of.

6s exposure

15s exp

18s exp

(let me know if you want a print)

last week's notable links

short list this week, i'm tired

<https://substack.com/home/post/p-173089253>

new unicode emojis :hairy-creature:
